

Sales Pitch Examples

“Hello my name is Michael Douglas. I am a professional in transition. I have 15 years experience in manufacturing specializing in quality control and assembly. The focus of my previous work was aimed at product and process improvement. I am a Nationally Certified Production Technician endorsed by the Manufacturing Skill Standard Council. I have a proven track record of exceeding results that have increased profitability of my department by 15% this past year. My areas of strength include my ability to perform in a high stress, fast paced environment while exceeding performance goals set by industry standards.”

“Hello my name is Christine Selfridge. I have 5 years experience in Public Administration specializing in database creation and grant management. I have created and maintained databases that exceed Department of Labor standards. My attention to detail has resulted in the recouping of \$17,000 in missed billings. I have a commitment to career development and community service, and am an energetic self-starter with excellent analytical, organization, and creative skills.”

“Hello my name is Kelly Jones. I have more than 18 years of experience as an administrative assistant in the insurance and banking industries. Most recently, I was the assistant to the CEO of Comerica Bank. Prior to that, I was an executive secretary in the marketing division of Ascension Health. My areas of strength include my organizational ability and communication skills in dealing with all levels of management. I am equally effective at collaborating with others to achieve established goals on time and within budget.”

“Hello my name is Angie Engels. I am a healthcare professional experienced in management, patient care and program development. I have expertise in emergency medical services, a talent for analyzing problems, developing and simplifying procedures, and finding innovative solutions. I have the proven ability to motivate and work effectively with persons from other cultures and all walks of life. I am skilled in working within foreign environments and with limited resources.”
